2017 Budget

Adopted by the Roslyn City Council on:
December 13, 2016
Ordinance #1131

December 1, 2016

Mayor's 2017 Budget Message

Honorable City Council and Citizens of the City of Roslyn:

I respectfully submit the Mayor and Budget Finance committee Budget for the fiscal year 2017. The budget is divided into two parts. The first is an overview narrative which describes projects and purchases, and cuts. The second part is the standard line item budget expenses and revenues with the BARS numbering system as mandated by state law.

This year we will be borrowing from the general fund reserves to support the Street fund, Library and Fire Department. Council approved starting a storm water enterprise fund that will remove this burden from the general fund. This initial effect of this enterprise fund will show a total utility cost reduction for the year of 2017. But starting in 2018, the utility enterprise funds will follow the recommended cost of operation increase from our most recent rate study.

This budget preserves all critical services provided to the residents and businesses of our city and reflects well on city staff and council members. The day to day efforts of staff and the voluntary time of council have increased the quality of core services the citizens of Roslyn have come to expect.

I would like to give a special thanks to all the volunteers of our great City, Roslyn Fire Department, Roslyn Historic and Preservation Commission, Citizens Advisory Committee, Cemetery Commission, Roslyn Library board and the City Council.

Respectfully submitted,

Geoff Scherer

For budgeting purposes, an estimate of how the hours will be spent over the next year is made, and may be amended throughout the year as needed.

2017 Budget Narrative

Budget Overview

In 2016, The Roslyn City Council adopted a new rate study that created a Stormwater Utility. In order to implement this change, staff has transferred \$42,195.93 from the Stormwater Capital Facilities Ending Cash to the Stormwater Operations and Management Fund's Contingency Funds. Furthermore, The Stormwater Operations and Management Fund is selling its share of the 2015 Certificate of Deposit, valued at \$17,010.69, to the Sewer Operation and Management Fund. The increased revenues will fund the increased staff time, and allow the funds to build the necessary savings to complete projects as well as maintain operations.

The attached Draft Budget takes into account the Roslyn City Council's financial goals and strategies as stated below. It features many of the staff requests as well as many necessary cuts. The General Fund meets the City Council's stated objective of being budget neutral, meaning that it neither significantly reduces or increases the savings in that Fund.

Financial Goals & Strategies

- It is a goal of the City of Roslyn to build and maintain a minimum of 3-6 month ending cash in every O&M Fund. The calculations below are based on the November 28, 2016 version of the 2017 Draft Budget.
 - 001 General Fund - \$156,955.71 - \$313,911.43
 - 2017 Proposed Beginning Balance - \$292,643.59

 - 101 Street Fund - \$24,550.70 - \$49,101.41
 - 2017 Proposed Beginning Balance - \$17,436.79

 - 401 Sewer Fund - \$95,323.97 - \$190,647.94
 - 2017 Proposed Beginning Balance - \$628,343.62
 - 2017 Proposed Ending Balance - \$396,412.50
 - 402 Water Fund - \$143,250.00 - \$286,500.00
 - 2017 Proposed Beginning Balance - \$839,855.16
 - 2017 Proposed Ending Balance - \$503,141.81
 - 403 Storm Fund - \$34,395.96 - \$68,791.93
 - 2017 Proposed Beginning Balance - \$5,837.89

 - Streets O&M Fund receives 22% of its revenues from the General Fund in the November 28, 2016 version of the 2017 Draft Budget
